Re: Year End Report (11/24/98-12/31/98) - ID# C00005157

Dear Ms. Kitchen:

We received your letter dated March 11, 1999, questioning our contribution to the Citizens for Sarbanes Committee on the above-referenced report. We designated said contribution for the primary election.

We are aware that under Federal Election Commission guidelines contributions may not be made for elections which have already taken place. The contribution made to the Sarbanes Committee is for the upcoming primary election preceding the general election to be held in the year 2000. Therefore, we believe our contribution is not in violation of the FEC's guidelines.

Please accept our apologies for this confusion on the original report filed with the Federal Election Commission.

Sincerely,

Jerry Willburn  
International Secretary-Treasurer
